We want everyone to be able to afford local organically grown vegetables. With a normal CSA model, some people can't afford to pay a big sum of money in advance. With our Stringless CSA, you don't have to. You pay each week when you pick up your share of fresh vegetables.

Stringless CSA Membership – Fall CSA should run for a minimum of 10 weeks, hopefully longer, weather permitting.

Harvest for the spring 2014 season is planned to begin the end of April, possibly the first of May. We will contact you via email with the date for your first CSA pick up.

One share provides you with \$20 worth of organically grown vegetables each week. If we don't have \$20 worth of vegetables in your share, you don't pay \$20.

Pick Up @ the Farm – Tuesdays 4pm – 6pm

A confirmation letter will be emailed to you after we receive your application.
